# Objectives of Peer Exchange

- Share leading practices in the use of DDSA throughout project development
- Develop a roadmap to guide States' future DDSA activities once EDC-4 concludes

# Important Points

- 1) This is **YOUR** peer exchange
- 2) This is a **LARGE** peer exchange – participation is critical

# Structure

- Plenary sessions
- Concurrent Breakout sessions
  - Presentations
  - Facilitated Discussion (w/ handouts for notetaking)
- Safety Analysis Tool Demonstrations
- Road-Mapping
  - DDSA Action Plans proved very helpful in past peer exchanges
  - Copies of previous DDSA Action Plans will be provided to each state
- HSM Implementation Pooled Fund Meeting

*Enjoy your peer exchange!*
